I am so excited to have you in my 5th grade class this year. We will work together to help your child succeed and excel in 5th Grade.

I am a Sacramento native. I graduated from CSUS with a degree in Communication Studies. I have worked for the State of California for nine years. I have been substituting for around five years. I have one child of my own. He is starting his freshman year of high school. In my free time I enjoy cuddling up with my pets or working out at the gym. I am looking forward to getting to know all of you!

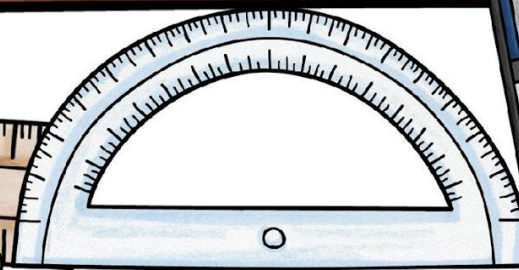

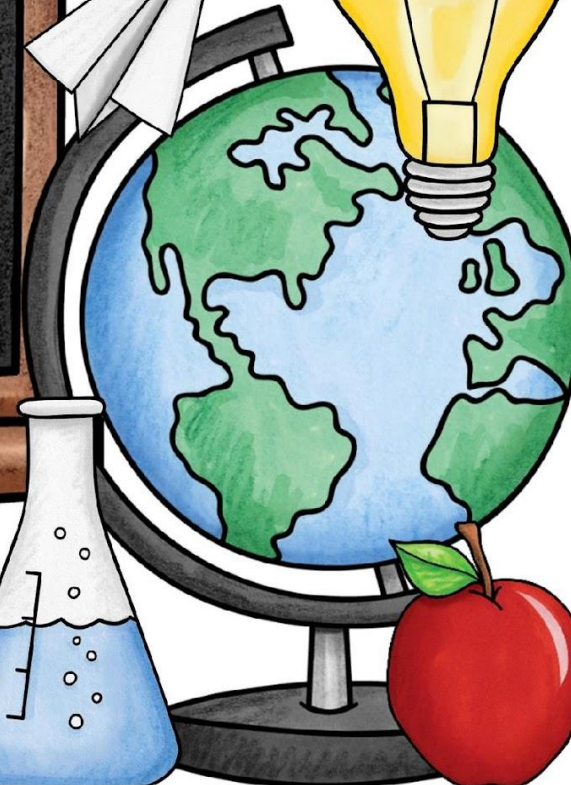

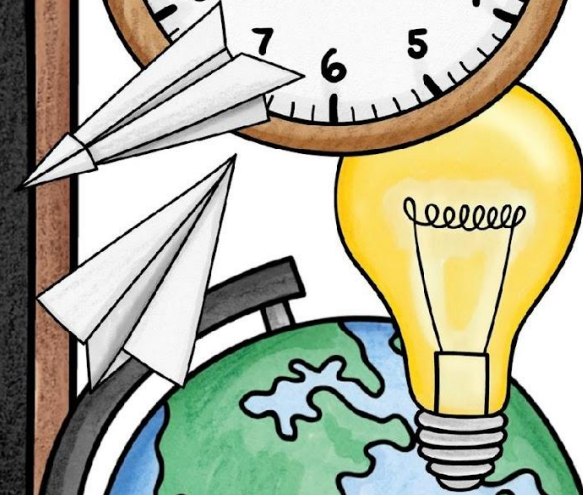

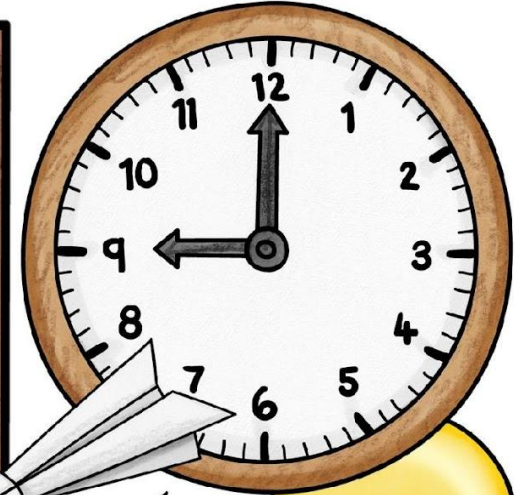

# MEET THE TEACHER

Hi! My name is Mrs. Parminder Dhadly.

I am so excited to have you in my 5th grade class this year. We will work together to help your child succeed and excel in 5th Grade.

I received my Bachelor's Degree in Psychology from CSUS and my Master's Degree in Marriage and Family Therapy from Alliant International University. I worked as a school-based therapist for 8+ years and I had an opportunity to work with elementary, middle, and high school students. While working as a school-based therapist, I developed passion for teaching and started teaching as a Certified Substitute in 2023. A fun fact about me, I can read, write, and speak Punjabi/Hindi fluently. I am the mother of three beautiful children and my favorite hobby is spending time with my family. In my free time, I enjoy cooking. I am an animal lover, dogs are my favorite pets.
