

SCHOOL HIGHLIGHTS

Northlake TK-8 is a new transitional kindergarten – 8th grade school located in the North Natomas area of Sacramento, California. Our mission is to provide an academically rigorous, culturally sensitive, and positive social emotional learning environment for all students. We strive to help students become goal-oriented, critical thinkers who are dedicated to achieving the highest level of integrity and academic success.

Students will be immersed in a rigorous and challenging curriculum, with a focus on STEAM concepts, to prepare them to be college and career ready. We work hard to ensure that our students not only excel academically, but are given the tools to meet their own personal social and emotional needs in a rich, cultural atmosphere with strong community values.

EXCELLENCE IN EDUCATION

- High quality, first-time instruction and two-tier interventions
